

## WELCOME ORIENTEERS TO SAMI-LAND, MÀZE!

All runners have to register at the event office before start.

Free start between 5 pm – 7 pm. To start all courses: Follow tape along the main road southwards, approximately 800 meters. There are no toilets at start.

The beginner-course maps are handed out when you register. All other runners get their map at start (self-service) after time start.

Map scale 1: 7 500, 5 m. equidistance, printed on waterproof paper – no plastic sealing.

Courses:	1.	Beginners course	1,4 km	6 controls
	2.	Intermediate	2,4 km	9 controls
	3.	Expert level	3,5 km	12 controls
	4.	Expert level	5,4 km	17 controls

The two long courses will cross the stream Roavvejohka. Normally the stream can be crossed almost everywhere, but be aware of slippery boulders in the stream. At the map there are marked two crossing points where you will find a rope across the stream.

ALL must register at the finish – also those who by any reason don't fulfil the course.

Prize giving ceremony will be approximately at 8 pm. All runners 16 years and younger will receive a Medaille. In addition, there will be a prize for best women and man in each course, and 3 three prizes will be randomly drawn among the starters
