### Punching and time keeping

Punching and time keeping with EmiTag. Each runner will wear one EmiTag. It is the runners' responsibility to have a valid punch. If the punch fails- perform a manual punch on the map. At the finish line the time is measured by a photo beam.

Regular classes in the race use normal Emit-punching, there will be many controls in the area with regular emit punching as well as the touch free for the elit classes.

Baskets for frisbeegolf is marked on the map as black X.

### Map

Scale 1:4000 / 2,5m contour interval. Mapped according to ISSOM 2007. Mapper: Helge Gisholt. Map is offset printed and in sealed plastic bags.

### Terrain

Hilly residential area with scattered forest areas. The forested areas are mostly well runnable with a lot of paths and tracks, but some areas with denser vegetation occurs. Approx. 60-80% of the courses are on firm surface, 20-40% on grass, paths and forest. There might be some undergrowth, so long trousers are recommended.

### **Traffic**

Normal traffic for quiet residential areas. No roads are closed for traffic. There will be marshals placed on selected areas.

### **Courses**

H21-E (Men): 3,11km/14 controls. Winning time: 15 minutes.

D21-E (Women): 2,34km/14 controls: Winning time: 14 minutes.

Course lengths are measured straight line, including marked route.

Men's course has a map flip during the course, with controls numbers in continuous sequence.

### **Prizegiving**
