A 10x10 grid with shaded cells forming a spiral pattern. The grid contains several groups of three 'X' marks. One group is at the top center (row 1, columns 4-6). Another group is in the middle-left (row 5, columns 1-3). A third group is in the bottom-right (row 9, columns 8-10). Other smaller groups of 'X's are scattered throughout the grid.

A 20x20 grid of squares. The rightmost column of squares is shaded in a light gray color. There are several black 'X' marks placed at various positions within the grid. A vertical column of 'X' marks is located in the middle-left area, spanning from row 10 to row 20. Another vertical column of 'X' marks is located in the bottom-right area, spanning from row 10 to row 20. Additionally, there are single 'X' marks scattered in other parts of the grid, such as near the top center and in the lower-left quadrant.
