## Map

Bertelsmyråsen (2014-2015)

1:10.000 for all legs

Night Hawk has fun and runnable terrain. We have the best course setters in the country. In 2015 Rolf M. Pedersen will create the courses. Rolf also made the courses for Night Hawk 2013 and WOC Trondheim 2010.

## Terrain

Varied vegetation, mainly spruce forest with fair visibility. Some open pine forest. Part with mixed vegetation. Quite hilly terrain. Some big and many small paths.

### Embargoed area

The competition area will be embargoed for orienteering activities. Information announced on [www.nighthawk.no](http://www.nighthawk.no)

This is Kjekstadmarka, the terrain for Night Hawk 2015. It's known to be one of Norway's most beautiful forests.
